

CHILDREN OF ABRAHAM

6:30PM
MONDAY 20 OCTOBER
HOLY TRINITY CATHEDRAL

WOMEN OF FAITH

Just as the olive branch has long stood for peace and connection, this gathering brings together women from Islam, Judaism and Christianity to share stories across traditions. Come and join us for an evening of open conversation, respect, and hope—where we celebrate what connects us and learn from what makes us unique.

This is a wonderful opportunity for our communities to grow with each other and witness to our common humanity as we work together for mutual understanding and a deepening dialogue.
